Dear Walter and team,

Thank you very much for building our beautiful home. We have been living in it for 2 months now and are enjoying every minute of it.

We would like to thank you and your team – Aubrey (supervisor), Eddie (electrician), Jan (plumber) Kim (interiors) as well as all the workers and painters for all their hard work and knowledge and most of all for the smiles and laughter we experienced on site. What an awesome team and what a fun project!

Nothing was too much hassle! Would we build again? Absolutely, but only with Touchstone Homes!

Many thanks and kind regards,

RALF & BERNICE OLSEN
